

MULTI PURPOSE HOSE

This is a multipurpose air, water and oil hose with a smooth black static conducting NBR synthetic elastomer rubber tube with a colored SBR/NBR rubber. The hose is reinforced with high tensile textile cords and embedded with an anti-static copper wire. This hose is suitable for the delivery of compressed air, water and oil. Not suitable for unleaded petrol.

SPECIFICATION

Tube	Smooth black static conducting NBR synthetic elastomer rubber
Cover	Colored SBR/BR rubber
Reinforcement	High tensile textile cords with anti-static copper wire
Application	Delivery of compressed air, water and oil.
Temp Range	-30°C up to +90°C
Conforms to	BS5118/2, ISO2398 Type 4 class A
Safety factor	3 x Working pressure

MULTI PURPOSE HOSE
